

# GALVESTON COUNTY MUD 12

## ENGINEERING REPORT

NOVEMBER 19, 2018

### A. WWTP REHABILITATION AND ODOR CONTROL DESIGN

A pre-construction meeting was conducted by AEI with the general contractor R&B Group, Inc., Randy Ward, and Richard Mathews. The construction management and project scope was reviewed with contractor. R&B Group will begin preparing equipment and material submittals. R&B Group does not anticipate mobilizing to the site until January after much of the materials and equipment. A detailed construction schedule will be submitted prior to mobilization.

Contract Completion Date

October 20, 2019

### B. WWTP TPDES DISCHARGE PERMIT RENEWAL

A new permit was issued without any limit changes.

### C. BOND APPLICATION REPORT

AEI submitted the Bond Application Report to the TCEQ on October 26, 2018. It was declared administratively complete on October 30, 2018. The application is now in technical review and I have already addressed some minor technical questions.

A handwritten signature in black ink, appearing to read 'William C. Rackley'.
